DECISION ON ATTORNEY'S FEES AND COSTS¹

On January 22, 2018, Cynthia Price Taylor ("Petitioner") filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleged that she suffered Guillain-Barré syndrome after receiving the influenza vaccine on October 25, 2015. (Petition at 1). On March 12, 2021, a decision was issued awarding compensation to Petitioner in the amount of \$166,281.56. (ECF No. 71).

¹ Because this unpublished Decision contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Petitioner has now filed a motion for attorney's fees and costs, dated June 25, 2021, (ECF No. 78), requesting a total award of \$54,888.47 (representing \$53,392.05 in fees and \$1,496.42 in costs). In accordance with General Order No. 9, Petitioner filed a signed statement indicating that Petitioner incurred out-of-pocket expenses in the amount of \$409.33. (ECF No. 79). Respondent reacted to the motion on July 21, 2021, indicating that he does not object to the overall amount as it not an unreasonable amount to have been incurred for this matter. (ECF No. 80). Petitioner did not file a reply thereafter.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorney's fees and costs. Section 15(e). **Accordingly, Petitioner is awarded the total amount of \$55,297.80³ as follows:**

- **A lump sum of \$54,888.47, representing reimbursement for fees and costs, in the form of a check payable jointly to Petitioner and Petitioner's counsel and;**
- **A lump sum of \$409.33, representing reimbursement for Petitioner's costs, in the form of a check payable to Petitioner.**

In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk shall enter judgment in accordance with this decision.⁴

IT IS SO ORDERED.
